

NCAA Position on Gambling

The NCAA opposes all forms of legal and illegal sports wagering. Sports wagering has the potential to undermine the integrity of sports contests and jeopardizes the welfare of student-athletes and the intercollegiate athletics community. Sports wagering demeans the competition and competitors alike by a message that is contrary to the purpose and meaning of “sport.” Sports competition should be appreciated for the inherent benefits related to participation of student athletes, coaches and institutions in fair contests, not the amount of money wagered on the outcome of the competition.

For these reasons, the NCAA membership has adopted specific rules prohibiting athletics department staff members and student-athletes from engaging in gambling activities as they relate to intercollegiate or professional sporting events.

The NCAA Position on Gambling was approved by the NCAA Administrative Committee on March 19, 1997
